

The Director of the Department of Computer Science

Given:

- the funds allocated by FFO 2014, D.M. 815 4.11.2014 art. 11;
- the funds allocated by the MIUR three-year Plan for the Italian university system, specifically to attract students with foreign degrees;
- the objective of schools and departments to promote enrolment of foreign students, as defined by the performance plan for 2015 and 2016;
- the letter from the Director of the International Area allocating €15.000,00 to the Department of Computer Science for granting scholarships to students with a foreign degree who enrolled to a Master Program in Computer Science in English;

Provides

ART. 1

A selection procedure is established for granting of n. 3 scholarships of € 5.000,00 gross each, to students enrolled, in academic year 2015-16, in the first year to the MSc in Computer Science and for the first time at Sapienza University of Rome.

ART. 2

In order to participate, the candidate must meet the following requirements:

1. having obtained a Bachelor Degree or equivalent in a foreign University;
2. being a EU citizen (Italian citizens excluded) or non-EU citizen with a study visa;
3. having paid the first instalment of the tuition fees for the MSc in Computer Science for A.Y. 2015-16;
4. not been the grantor of other scholarships by Sapienza, Laziodisu, Ministry of Foreign Affairs and International Cooperation or other national or international institutions. The scholarship is compatible with other forms of support (exemption from registration fees, accommodation, etc.)

All the above requirements must be fulfilled by the closing date for applications of the present call.

ART. 3

Applications for the call must be submitted by filling out in all parts the attached form. Applications must be completed and submitted, under penalty of exclusion, **by 8 June 2016 and sent by email to direttore@di.uniroma1.it**. In the application, the candidate must

declare, under penalty of exclusion, according to DPR n. 445 28/12/2000 and amendments, under his/her responsibility:

1. Last name and first name;
2. university registration number;
3. date and place of birth, home address in Italy elected for the selection (specifying the ZIP code and phone number), e-mail address;
4. Degree and graduation date of the foreign bachelor degree.
5. That the candidate will promptly communicate any change of residence and / or email address stated in the application form (this can be done on the Infostud portal).

Candidate must attach, under penalty of exclusion, the following document:

1. a Sapienza transcript from Infostud with the applicant's exams and their grade

Administration does not take any responsibility for loss of communications due to candidate's incorrect address and / or email address or late communication of any changes, nor for any mail or telegraph malfunctions that are not the administration responsibility. All candidates are admitted conditionally, until the fulfillment of the prescribed requirements has been verified, and can be excluded, at any time, for justified reasons. The Administration will check the authenticity of declarations and, if any statement is found untrue, the student will lose all benefits resulting from the false declaration and must return any sums received.

ART. 4

The Selection Board will be appointed by the **Director of the Computer Science Department**. The Selection Board will draw up an ordered list of candidates taking into account the number of CFUs completed by the student and their grades as certified by the Sapienza transcript. The Board's decisions are unquestionable. In case of withdrawal or forfeiture of a winner, the candidate next in the ranking takes over. The selection will be completed within 15 days from the call's deadline and the rankings will be published on the website of the Department.

ART. 5

The scholarship will be paid in a single installment by BANK TRANSFER.

ART. 6

With reference to provisions of d. lgs. June 30, 2003, n. 196 on the Protection of personal data, concerning protection of persons and other subjects in regards of personal data processing and, in particular, the provisions of art. 13, personal data provided by candidates will be collected by Sapienza for management purposes and will be processed automatically.

Treatment of this data, will continue after registration for management purposes related to the university career. Providing such data is necessary for evaluation of participation requirements, under penalty of exclusion. The information provided may be disclosed only to public administrations directly involved in students' university career or in the execution of the competition.

Any refusal to provide this data involves exclusion. Interested parties have the right to have confirmation of the existence or not of any personal data concerning them, even if they are not yet registered, and their communication in an intelligible form. They have the right to be informed of the origin of personal data, of purposes and methods of treatment, of the logic applied in case of treatment with electronic devices. Interested parties are also entitled to data updating, rectification, that is, when they have interest, data integration, erasure, anonymization and blocking of data when processed in violation of law. Owner of data processing is "La Sapienza" University of Rome in the person of its temporary legal representative, the Rector, resident for the office at the University headquarters. Responsible of data processing is Maria Daniela Salvati salvati@di.uniroma1.it.

ART. 7

In accordance to art. 4, 5 e 6 of law n. 241 August 7 1990, Maria Daniela Salvati (salvati@di.uniroma1.it) is responsible of administrative procedures.

ART. 8

In case of a dispute concerning the interpretation or execution of this call, the parties, in first instance, will try to come to an extrajudicial solution. Otherwise the competent court is Rome.

Rome, 24 May 2016.

Prof. Alessandro Mei
Director of the Department of Computer Science
